# Tech

## Technical Teaching:

- Teach other students and juniors, on a technical topic
- Have sufficient knowledge & prowess to teach a group and solve doubts within a limited span of time
- Speak loudly, confidently, and easily in front of a group

## Tech Support:

- Use devices and interfaces swiftly, and adeptly
- Handle technical equipment (Smart TV, projector, mic, cabling etc)
- Ensure smooth functioning of equipment during events

# Tech

## Development:

- Developmental coding ; production-grade applications
- Maintain our website, app, web services, APIs, etc
- Coordinate with Management to design and develop a best-in-class solution, as may be required for conducting events

## Competitive Coding:

- Solve challenges and contests online
- Frame questions for our coding competitions

## OS Club:
**Is a sub-club under TSG, with its own head**

- Geek out in operating systems
- Finish designated projects / topics
- Conduct OS awareness events under TSG

## Management:

- Handle signups, coordinate with / contact students
- Send confirmation SMS, mails etc
- Prepare forms, linked sheets, documents, permission letters etc
- QR code scanning, data entry
- Provide assistance regarding our events and other services

## Content Writing:

- Write blogs on technical stuff, from our side, published on our site
- Draft and submit post-event reports, outlining our activities, etc.
- Provide written material to whoever asks, regarding TSG information

## Photo Team: Ps

- Make posters for events ; clear idea communication in the same
- Edit photographs, prepare images for Social Media Team
- Coordinate with photographer / shoot for events
- Graphic designing for t-shirts, stickers, wallpapers, presentations etc.
- **Requires:** Adobe Ps, Lr, etc

## Video Team:

- Make promotional and content videos for media consumption
- Edit videos, and handover to Social Media Team
- Coordinate with videographer / shoot for events
- Portray ideas clearly, not just EDM with editing templates
- **Requires:** Adobe Pr, Ae, Final Cut Pro etc

## Social Media Team: **f**

- Represent TSG on social media handles
- Upload content from Photo & Video Team on streaming platforms
- Review designs across TSG to ensure uniformity
